Subject: Save the Date Notice - WCBIC Board Meeting January 18th

Dear Board Members,

Happy New Year! I hope everyone had a pleasant holdiay.

The next WCBIC Board meeting is tentatively scheduled for Thursday, January 18th at noon.

Please let me know ASAP if this date works for you or if there is a more convenient day and time. If the date is ok please simply RSVP.

Our special guest this month will be Brian Bucher, Chief of CENTCOM Operations.

The Central Command Data Room allows policy shops throughout the Mayor's Office to come together to problem solve priority challenges such as homelessness. It helps guide the office toward the strategic deployment of services and placement of facilities as the implemetion of Measure H and HHH progress. Mr. Bucher and his team started a pilot program to address the homeless encampment situation in the City and have been working almost exclusively on a street-level response to homelessness.

Thank you,
Michael Russell
